Trip summary

This superb tour highlights the very best that Vietnam and Cambodia have to offer taking in cultural wonders, fascinating historical sights and beautiful scenery whilst travelling in real style throughout.

The tour begins in Saigon, Vietnam's largest city, an absorbing blend of ancient cultural traditions and modern economic dynamo. Staying in a centrally located 5* hotel, you will discover many aspects of its complex history as you stroll down leafy boulevards past atmospheric colonial buildings, visit a traditional market and see a variety of cottage industries in action. You will also visit the Cu Chi tunnels - one of the most haunting remnants of the Vietnam war.

Boarding the luxurious RV Bassac Pandaw you set sail on your seven night cruise along the Mekong River. Perhaps the most scenic river in Asia, the Mekong is also the most vibrant and there is much to see as you cruise along, including floating markets, picturesque villages and countless temples. Each day there are excursions which will reveal different aspects of local life and history which you will explore by boat, tuk tuk and on foot.

Having crossed into Cambodia from Vietnam you will take a tour of the capital city, Phnom Penh, visiting the ornate Royal Palace and Silver Pagoda. In Cambodia, you will also have the opportunity to spend time at the thought provoking Killing Fields, explore traditional villages and visit fascinating temple complexes.

Aboard your Pandaw ship you will cruise in style with large, well-appointed cabins, spacious viewing decks and first-class facilities. The food is exceptional and varied with a wide range of international cuisine, there's even unlimited ice-cream served on the sundeck! In the evenings, you can relax in the comfortable saloon bar, enjoy the cultural performances or take in the educational talks and films that are provided by the highly experienced ship's crew and onboard experts.

The cruise ends at Siem Reap where you disembark for further 5* comfort and an in-depth tour of the incomparable Angkor Wat temple complex - one of the most important archaeological sites on all of Southeast Asia and a fitting end to this memorable holiday.

Your trip itinerary

Day 1: Fly London to Saigon

Fly London to Saigon (Ho Chi Minh City) by overnight flight.

Overnight: In flight

Day 2: Arrive Saigon (Ho Chi minh City). Group transfer to hotel. Afternoon at leisure.

On arrival in Saigon you will be met and transferred to the Intercontinental Asiana Hotel. The remainder of the day is at leisure for you to relax after your long flight and to adjust to the sights and sounds of this vibrant city, formerly the French colonial port of Saigon. Saigon is the capital of southern Vietnam and after Hanoi is the country's second city.

Overnight: Hotel Des Arts, Saigon

Day 3: Full day sightseeing tour of Saigon including Cu Chi tunnels.

Today after breakfast you will be taken to the extraordinary Cu Chi tunnels, approximately 1½ hours drive from Saigon. The complicated underground network was built by the Viet Cong guerillas and used extensively during the Vietnam War. En route to the tunnels you may have the chance to see how rural people live and work, seeing occupations such as rice farming and the production of rice paper - a key ingredient in Vietnamese cuisine. You will enjoy lunch at a local restaurant.

In the afternoon you will have a tour of the city. It is easy to walk around the central district and to explore the broad leafy boulevards and splendid French colonial architecture - Notre Dame Cathedral and the General Post Office. You will also see the former US Embassy, City Hall, the Reunification Hall and War Museum of Remnants. You will end the day with a visit to Ben Thanh market, a busy market and one of Saigon's liveliest areas, selling everything from foodstuffs to souvenirs. You will then be taken back to your hotel. Saigon is a great place to dine with some excellent French and Vietnamese restaurants.

Overnight: Hotel Des Arts, Saigon (Meals: B L)

Day 4: Transfer from your hotel to the port of My Tho to embark on your cruise. Sail to Ben Tre. Village excursion by sampan.

This morning you will be collected from your hotel and transferred to My Tho port situated on the Mekong Delta, where you will be welcomed on board your cruise vessel

On arrival at the R V Bassac, you will meet your crew and they will brief you about the ship and safety on board. You will then cast off for the start of your adventure on the river. Today you will get your first taste of life on the river with the lush green landscapes of the Mekong delta. You sail past paddy fields, orchards, sugar cane fields and villages of stilt houses as well as the varied traffic of the river such as elegant sampans and lumbering cargo boats. Arriving at Ben Tre your ship will anchor midstream.

After lunch, you will travel by sampan through mangroves and bamboo forests to the fruit orchards of Ben Tre - an area rich in birdlife - then transfer to a local rowboat. You will slowly explore through the bamboo covered canals and arrive at village which specialises in making local products such as rice wine and coconut candy.

You return to your boat for dinner. In the evening you will be entertained by a Vietnamese dance troupe.

Please note: Today your guide will collect your passports at the meeting point in order to arrange immigration formalities.

Overnight: RV Bassac Pandaw (Meals: BLD)

Day 5: Sail to Con Phuoc Island. Visit craft workshops and take a tuk tuk ride.

This morning you cruise through the Delta to Con Phuoc Island. You will moor in a small canal off the island and go ashore to explore by foot and by tuk tuk. Firstly you will visit local craftspeople and watch them weaving bamboo baskets using traditional methods. You'll then hop on board a tuk tuk for a fun drive through the village, stopping at a 100 year old Catholic church and meeting more friendly locals.

Overnight: RV Bassac Pandaw (Meals: BLD)

Day 6: Visit Chau Doc, Chham village and Sam Mountain. Cross the Vietnam/Cambodia border.

In the morning your boat will dock alongside the picturesque border town of Chau Doc. Here you will visit the famous floating markets & fish farms by sampan, as well as a local Chham Village where you will see the lives of some local Vietnamese Muslims. You then drive the short distance to Sam Mountain and climb the 400 steps to the top to visit Phuoc Dien Tu, the Hang Pagoda, an 'official historic monument' of Vietnam.

You then return to the boat via a network of local canals before dropping anchor on the Vietnam/Cambodia Border to go through immigration formalities.

Overnight: RV Bassac Pandaw (Meals: BLD)

Day 7: Morning city tour of Phnom Penh. Afternoon visit to the Killing Fields (optional).

This morning you will travel by a cyclo to the Royal Palace and the Silver Pagoda which has silver floor tiles totalling five tons of gleaming silver. After, you will visit the National Museum which houses the world's finest collection of classical Angkor period sculpture. Please note that you are required to wear clothes that cover your shoulders and knees, no shorts are allowed in the Royal Palace.

Later on today you will have the option to visit the Killing Fields and Toul Sleng Genocide Museum. You will be taken by coach which will take approximately 1 hour. The Toul Sleng Museum provided the base for the Khmer Rouge security force and prison and interrogation centre, S21. The building, formerly a primary school, together with the photographs of many of the victims displayed on the walls, now stand testament to the brutality and murderous actions of the Pol Pot regime. After the prisoners were interrogated here they were taken to Choeung Ek to be executed. Many of the country's intellectuals along with some Westerners were labelled 'enemies of the revolution' and killed in this complex. There now stands a stupa filled with human skulls as a memorial to the victims.

Important note - if you wish to opt out of this afternoon excursion to the Killing Fields and Genocide Museum, then this is fine. Please let us know at the time of booking, if you wish to visit the Killing Fields. There is ample time to enjoy your stay in Phnom Penh as the ship will be moored in the city jetty and you are free to go ashore at any time while the ship is there and the port gate is open (it closes around 11.00pm). There are various markets that you can walk to, such as the central market or the night market.

Back on the ship this evening you may enjoy a traditional Cambodian / Khmer shadow puppet show or other entertainment.

Overnight: RV Bassac Pandaw (Meals: BLD)

Day 8: Excursion to Kampong Tralach.

After a short morning cruise along the Tonle Sap River you will disembark at Kampong Tralach. An ox cart will be your transport as you travel around the riverside villages seeing markets, temples and everyday life.

In the evening you will enjoy 'cocktail hour' around a fire-pit in one of the local Khmer villages. Here you will learn something of their local culture and see some Khmer dancing, and perhaps even join the villagers in some local dancing.

Overnight: RV Bassac Pandaw (Meals: BLD)

Day 9: Drive to Oudong and tour the ancient city. Sail to Silk Island, visit silk makers and see a demonstration of martial arts.

You will leave your ship this morning and drive by coach to Oudong, the ancient capital of Cambodia. On the way you stop at the Vipassana Dhura Meditation Centre and then drive around the old capital before rejoining your ship at Prek Kdam and setting sail once more.

After lunch you will cruise to Koh Nghe Tei, also known as 'Silk Island'. On the island you will discover the fascinating intricacies of the entire silk making process from worms to weavers. You will also see a demonstration of the ancient Khmer martial art of L'bokator which involves impressive weapon skills.

Overnight: RV Bassac Pandaw (Meals: BLD)

Day 10: Sunrise cruise to Angkor Ban Village. Afternoon sail to Wat Hanchey.

It will be a beautiful start to the day as you cruise along the Mekong at sunrise to reach Angkor Ban Village. You will have chance to see how the local villagers live in Cambodia and to visit the library which was donated by Pandaw. You may like to gift a book to the library. Books in English, suitable for children aged between 8 and 15, would be greatly appreciated.

In the afternoon you sail north to Wat Hinchey, a complex of Hindu and Buddhist temples dating from the 7th century and set upon a hill overlooking the Mekong. The views out across the river are simply wonderful.

Overnight: RV Bassac Pandaw (Meals: BLD)

Day 11: Disembark and transfer to Siem Reap - approximately 5 hours. Afternoon visit to Angkor Wat.

Refreshments will be provided en route and you will stop along the way for a short break. You will arrive at Siem Reap around mid-afternoon. On arrival at your hotel you will be met and briefed by your guide who will look after you for the last part of your trip.

After lunch at your hotel, you will visit Angkor Wat, the world famous temple of Cambodia. It is visually, architecturally and artistically breathtaking. With its massive three tiered pyramid crowned by five beehive-like towers rising 65 metres from ground level, this temple is the centrepiece of any visit to the temples of Angkor. Late afternoon is the best time for photography at Angkor Wat as the warm sunlight bathes the temples producing their familiar 'red glow' it is also the perfect time to take in the romantic view at sunset from Bakheng Hill.

You will then return back to your hotel. There are many nearby restaurants serving Asian or Western cuisine.

Overnight: Fcc Angkor, Siem Reap (Meals: B L)

The nature of adventure travel

Every effort will be made to keep to this itinerary but we cannot guarantee that things may not change, either before you travel or while you are away. By its very nature, adventure travel involves an element of the unexpected, particularly in more remote areas. A variety of factors such as adverse weather conditions, changes to local schedules and difficulties with transportation can all contribute to the need to make changes to the itinerary, often at the very last minute. Our Operations Manager and your Trip Leader will make every effort to maintain the integrity of the original itinerary and minimise the impact of any changes, but an easy-going and flexible nature is a real asset! Please note that all timings and distances given are approximate.

Mountain Kingdoms - distinctly different

Truly independent

In an age where many so-called 'independent' travel companies have in fact been bought out by multi-national giants, we remain fiercely independent with all the benefits this offers our clients.

Value for money prices with an emphasis on quality

We are not in the business of cutting our itineraries and services to the bone to offer eye-catching cheap prices. We use some of the best airlines, and typically 3 or 4 star hotels in cities. We include the majority of meals and private transport for road travel. We use excellent equipment and appoint well-trained staff and leaders. Last year, over 98% of our clients rated their Mountain Kingdoms holiday as 'excellent' or 'good'. We are members of AITO and bound by their quality charter.

Award winning Responsible Tourism

We feel strongly that all our holidays should benefit local communities, protect the environment and respect local traditions, religion and heritage. You can read more about the charities we support and our Responsible Tourism commitments and initiatives on the following page or at www.mountainkingdoms.com.

Genuine small group travel

Almost all of our holidays have a maximum group size of just 12, plus leader. This provides more contact with your leader, readier access to off-the-beaten-path areas, greater interaction with local communities and a reduced environmental impact.

RESPONSIBLE TOURISM STATEMENT CLIMATE EMERGENCY PLAN

For over 33 years, Mountain Kingdoms has been offering people the chance to visit amazing places on this extraordinary planet. We now offer trips to all corners of the world, but we are conscious that inevitably our holidays have a detrimental impact on the world around us, and we want to do all we can to reduce our carbon emissions. We are a signatory to Tourism Declares a Climate Emergency, along with a growing number of like-minded, reputable tour operators. For more information, please visit www.tourismdeclares.com

From 2020 onwards, we will be focusing on how we can reduce the carbon emissions that our holidays produce, and how to counterbalance this carbon by supporting carbon offset measures. Here are some of our current and future plans to minimise the impact of our business as a whole:

Carbon Offsetting

Already doing:

- ✓ We have been offsetting carbon since 2007, but will be increasing our donations to the [Ecoan tree planting project](#) in Peru this year. This is with a trusted partner where the funds go directly to a project where the community plants trees on its own land.

Will do:

- ✓ We are working on making our carbon offsetting more accurate and targeted.
- ✓ In future, we will add to that a further estimate for carbon produced by hotels, local road travel, trains and internal flights to arrive at a carbon offset sum for each trip we operate.
- ✓ Carbon offsetting will be included in our holiday prices. For our Flight Inclusive holidays it will include the international flight and any emissions produced by inland travel and accommodation. Our Land Only prices will include the cost of offsetting emissions caused by inland travel and accommodation.

Reducing Carbon Emissions

Already doing:

- ✓ We already offer the majority of our customers a free filtered water bottle which means they can instantly cut down on their single-use plastic consumption. This will be an ongoing project.
- ✓ We already predominantly use locally owned hotels, but will continue to ensure that, where possible, we use these rather than multinational chains.
- ✓ We have joined the Tourism Declares a Climate Emergency initiative to stand alongside like-minded travel companies, to work together to initiate best practices to make tourism as sustainable as possible.

Will do:

- ✓ We will re-evaluate our flights to make sure we are using the most fuel efficient airlines with the youngest fleets and, where possible, direct flights for each trip.
- ✓ We will stop offering unnecessary optional flights – for example our Everest sightseeing trip.
- ✓ We will eliminate unnecessary staff flights wherever possible.
- ✓ We will look at minimising internal flights.
- ✓ We will be asking all our worldwide agents and suppliers to look at their own carbon footprint and encourage them to reduce it.
- ✓ We will promote our more low impact trips to give customers an informed choice.

As part of our wider commitment to Responsible Tourism, we will continue to support a number of charities with whom we have had a long standing relationship over many years. These include: Shiva Charity in Nepal (Ginette Harrison School), Simien Mountains Mobile Medical Service and Porter Welfare, as well as setting aside a sum for emergency disaster relief should the need arise.
