## Trip summary

---

Sri Lanka is a small island with an astonishing variety of scenery, flora and fauna. This trek offers a chance to explore the atmospheric hill country on foot, utilising local footpaths and trails, and getting thoroughly off the beaten track.

The hill country is a seemingly endless mass of steep-sided hills and valleys, with swirling-mists, virgin forest and manicured verdant tea estates. The trek starts at the old hill station of Bandarawela, and incorporates several days walking on paths and small tracks, with stupendous views. You are highly unlikely to encounter other trekkers in this little visited region as it sits well away from the main tourist honey pots.

After a night spent in a Buddhist temple (or outside in a tent for those who prefer it), you spend two nights in a restored tea bungalow and ascend Adam's Peak. You next visit the plains in the south of the country - a complete contrast to the hill country. Although in the 'dry zone' they are covered in dense, impenetrable jungle - brilliantly described in Leonard Woolf's novel 'A Village in the Jungle'. After visiting Uda Walawe National park to see the herds of wild elephants, you have two days relaxing by the sea.

The accommodation has been chosen for its character: from the charming old colonial Bandarawela Hotel, to the simple and rustic Misty Mountain bungalow, ending with a comfortable beach side hotel, you will enjoy a great variety of accommodation

We are pleased to be working with a superb, experienced guide, based in Bandarawela, who knows the local countryside, flora and fauna extremely well.

Sri Lanka is a fascinating combination of cultures and religions, and the welcome that you receive as a visitor is unfailingly friendly.

## Special notes

### Ascent of Adam's Peak

The opportunity to make an ascent of Adam's Peak applies to November - April departures only.

Should you wish to make the ascent of Adam's Peak on Day 9 please notify us no later than two months prior to your holiday (when the final balance payment is due for your holiday). There is no extra charge for taking this option but we will need to ensure that all transport and guiding arrangements are in hand for you.

# Your trip itinerary

---

## Day 1: Fly London to Colombo

---

Depart London by overnight flight for Colombo.

**Overnight: In flight**

---

## Day 2: Arrive Colombo. Group transfer to Ratnapura - 2-3 hours.

---

You will be met at the airport by your vehicle and transferred to your hotel. It is a couple of hours drive towards the bustling town of Ratnapura. Ratnapura means 'City of Gems', and it is to here that Sri Lankans flock to buy small plots of land to mine in the hope that they too will discover precious stones. Set outside the town, the hotel is in a peaceful, rural location and is a great spot to relax after the flight.

**Overnight: Lake Serenity Hotel or Similar, Ratnapur (Meals: D)**

---

## Day 3: Drive to Bandarawela - 3 hours. Village walk in the afternoon - 2-3 hours.

---

Today you continue your drive through the verdant foothills to Bandarawela, the starting point of the trek. Lunch will be at the atmospheric Bandarawela Hotel, where you will meet your trekking guide before a ten minute drive that takes you to the start of your two/three hour afternoon walk back to the hotel. This is a chance to stretch your legs, and view at first hand a small farming community. Ingenious use is made of every scrap of flat land. You will walk through village fields, rice paddys, and past village houses. Your guide will help identify the local flora and fauna - this area is a haven for birds. In the early evening it is well worth walking around Bandarawela, which is a typical, bustling hill town.

**Overnight: Bandarawela Hotel or Similar (Meals: BLD)**

---

## Day 4: Trek to Haputale - 5-6 hours.

---

This is the start of your trek, and you will walk gradually uphill to reach a ridge overlooking the town. The walking is on a mixture of small tracks and paths, and before very long you will start to experience the wonderful views across the jagged hills. Lunch will be a picnic before descending to your accommodation for the night.

**Overnight: Melheim Resort or Similar, Haputale (Meals: BLD)**

---

## Day 5: Trek to Ohiya - 5 hours.

---

The walk today starts through the manicured tea plantations typical of this region. The views are stunning, and after passing through the small town of Haputale, you climb gradually (after passing the colonial mansion of Adisham) to reach a fine ridgetop. Within a short distance you enter original highland pine forest - full of birds and bear monkeys - with signs of wild bear, eucalyptus forest and grassy hillsides. A feature of this part of Sri Lanka is the incredible railway, and the track gradually rises to meet your path. Sri Lankans use the railway track as a path, and you will join them along the next half mile. After a picnic lunch, today's walk is completed through tea plantations with fabulous views south to the plains.

**Overnight: Misty Mountain or Similar, Ohiya (Meals: BLD)**

---

---

**Day 6: Horton Plains circular walk - 5-6 hours.**

---

Today you will enjoy a circular walk that encompasses the main views and incredibly rich biodiversity of Horton Plains National Park, an area of mountain moorland and cloud forest.

From the park visitor centre a broad track leads you onto the plains and via locations with such evocative names as 'Chimney Pool' or 'Leg of the Mutton pool' to reach Baker's Falls. Although not especially high at 20m/65ft Baker's Falls is a picture postcard spot, where the rushing waters of the Belihul River plunge into a gorge filled with rhododendrons. You can view the falls first from an observation deck and then after a short climb down, from their base. Your next viewpoint will be the dramatically named World's End, where the plateau drops away in a vertical drop of some 1,000m/3,300ft to the plains below.

The paths around the plains vary from broad tracks to narrow dirt paths, and your leader will doubtless have his favourite route to follow.

**Overnight: Misty Mountain or Similar, Ohiya (Meals: BLD)**

---

**Day 7: Trek to Bambarakanda Falls - 4 hours. Drive to Bandarawela.**

---

The atmosphere of today's walk is very different, as you descend through spectacular mountain scenery and past several small waterfalls (there will almost certainly be a chance for a natural shower) to reach dramatic Bambarakanda Falls. These falls, with a total drop of 260m/853ft, are the highest in Sri Lanka. After finishing the trek you will drive to Bandarawela.

**Overnight: Bandarawela Hotel or Similar (Meals: BLD)**

---

**Day 8: Drive to start of trek. Walk to temple - 4 hours.**

---

After an early breakfast at the hotel, you will drive to start today's walk which is through a mixture of natural forest and paddy fields. There will be plenty of opportunity to take photographs and see local people in this more populated area. The walk culminates in a village and the night will be spent in the Bogoda Buddhist temple (although tents can be provided for those who prefer a little more privacy).

**Overnight: Buddhist Temple, Bagota (Meals: BLD)**

---

**Day 9: End trek. Drive to Dickoya - 3 hours. Late evening optional ascent of Adam's Peak, 2,243m/7,359ft.**

---

After ending your trek you will be met by your vehicle, and driven through the hills to Dickoya.

**Optional ascent of Adam's Peak (departures between November and April only). Please see Special Notes on Page 3**

There will be time to settle in to the hotel and have dinner before setting off to ascend Adam's Peak, 2,243m/7,400ft, to watch the sun rise. Although not quite the island's highest point, Adam's Peak is its most famous and held sacred by Buddhists, Hindus and Muslims alike. Atop the peak, now covered by a shrine, is reported to be the footprint in the rock which, depending upon your faith is believed to be that of Buddha, Adam or Shiva.

The peak is a major pilgrimage site and in the season many hundreds of people climb through the night to watch sunrise from the summit. Setting out from the base of the mountain at Dalhousie at around 2-2.30am, it takes between 2½-4 hours to cover the 7km/4½ miles and 5,200 stone steps, to reach the summit. Along the way you will pass a multitude of refreshment and souvenir stalls and the occasional rest area, all amongst the hubbub of monks, pilgrims and entire families making the climb. Watching the sunrise, and feeling its warming rays as they reach you, is certainly a memorable reward for one of the more unusual mountain walks you are likely to make.

**Overnight: Mandira Bungalow or Similar, Dickoya (Meals: BLD)**

---

---

**Day 10: Return to accommodation. Rest of day at leisure.**

---

Having walked back down the mountain you then make the return drive to the hotel. The rest of the day is yours to rest and relax. Dickoya is in the heart of Sri Lanka's tea country, and you can go for a gentle wander amongst the tea, or simply relax at your accommodation.

**Overnight: Mandira Bungalow or Similar, Dickoya (Meals: BLD)**

---

**Day 11: Drive to Uda Walawe - 4 hours. Game drive.**

---

You will leave the hill country today and make the scenic journey south towards the coast. After descending from the hills you'll arrive at Uda Walawe National Park, where you will have a Jeep Safari through the park. You are now in the dry zone, a lowland area of evergreen forests which in contrast to the ubiquitous rain forest, is one the few dry forest areas in the whole Indo-Pacific region. Combined with the surrounding areas of thorny scrubland this environment supports a healthy population of elephants and over 70 other species of mammal. You will also have the chance to visit the elephant transit home.

**Overnight: Big Game Camp or Similar, Uda Walawe (Meals: BLD)**

---

**Day 12: Drive to Waikkal - 5 hours. Rest of day at leisure.**

---

Today you drive to the west coast to Waikkal. Just outside the village, and set between the sea, a lagoon and 2 rivers, lies the unique Ranweli Hotel. The final part of your journey to the hotel will be by passenger ferry.

**Overnight: Ranweli Holiday Village or Similar, Waikkal (Meals: BLD)**

---

**Day 13: Local walk and boat ride.**

---

Today will be taken at a leisurely pace. As well as time to relax by the pool, or on the beach, you can enjoy a two hour guided walk through the mangrove swamps and on a boat trip around the lagoons. There is plenty to see here; the area is home to 130 species of birds some of which you may be able to spot and nine species of amphibians, not to mention the Water Monitor Lizard.

**Overnight: Ranweli Holiday Village or Similar, Waikkal (Meals: BLD)**

---

**Day 14: Group transfer to the airport. Fly to London.**

---

After breakfast you will be transferred to the airport for your flight to London. **(Meals: B)**

Alternatively we recommend [www.medex.org.uk](http://www.medex.org.uk) as a good source of information.

## **The nature of adventure travel**

---

Every effort will be made to keep to this itinerary but we cannot guarantee that things may not change, either before you travel or while you are away. By its very nature, adventure travel involves an element of the unexpected, particularly in more remote areas. A variety of factors such as adverse weather conditions, changes to local schedules and difficulties with transportation can all contribute to the need to make changes to the itinerary, often at the very last minute. Our Operations Manager and your Trip Leader will make every effort to maintain the integrity of the original itinerary and minimise the impact of any changes, but an easy-going and flexible nature is a real asset! Please note that all timings and distances given are approximate.

## What our clients say

---

*Our feeling is that the ethos of your business is remarkably genuine, and you have attracted like-minded people to help you. Thank you very much! A unique holiday and better than anyone else could offer in Sri Lanka!*

*- Mr G D, Bristol*

*Sri Lanka is such a beautiful and welcoming country, it has such a variety of places to visit from cool tea plantations, stunning beaches, fascinating temples, mountains, a plethora of wildlife and some excellent hotels. And did I mention the food? It is almost worth going there for that alone! Having just returned from the country I cannot recommend it highly enough.*

*-Ms N, Gloucestershire*

*The whole experience was the type of trip we were looking for to gain an insight into rural Sri Lanka away from the tourist areas with a particular emphasis on pristine scenery, fauna and flora and the opportunity to meet local and varied villagers. The accommodation was interesting and exciting, we always selected the local food and were never disappointed by random service stations for lunch to top of the range hotels. Every Sri Lankan we encountered couldn't have been more welcoming. A particular mention should go to Hafeel our young trekking guide whose friendly nature has rewarded him with a wealth of contacts along the way. He was able to give us an insight into the homes of Tamil tea pickers, paddy field workers..... over many cups of tea. His experienced eyes spotted so many birds and other animals and countless interesting plants.*

*- Mrs H, Wiltshire*

# Mountain Kingdoms - distinctly different

---

## **Truly independent**

In an age where many so-called 'independent' travel companies have in fact been bought out by multi-national giants, we remain fiercely independent with all the benefits this offers our clients.

## **Value for money prices with an emphasis on quality**

We are not in the business of cutting our itineraries and services to the bone to offer eye-catching cheap prices. We use some of the best airlines, and typically 3 or 4 star hotels in cities. We include the majority of meals and private transport for road travel. We use excellent equipment and appoint well-trained staff and leaders. Last year, over 98% of our clients rated their Mountain Kingdoms holiday as 'excellent' or 'good'. We are members of AITO and bound by their quality charter.

## **Complete financial security**

You can book with us confident that your holiday has full financial protection. Flight inclusive holidays are financially protected by the Civil Aviation Authority under ATOL licence number 2973 and 'Land Only' holidays are covered by a bond secured with ABTOT.

## **No Surcharge Guarantee**

Your peace of mind is important to us so we have a No Surcharge Guarantee on all Land Only and Flight Inclusive bookings. This means that there will be no change to the price of your holiday once we have confirmed your booking, regardless of fluctuations in exchange rates or fuel prices.

## **Award winning Responsible Tourism**

We feel strongly that all our holidays should benefit local communities, protect the environment and respect local traditions, religion and heritage. You can read more about the charities we support and our Responsible Tourism commitments and initiatives on the following page or at [www.mountainkingdoms.com](http://www.mountainkingdoms.com).

## **Genuine small group travel**

Almost all of our holidays have a maximum group size of just 12, plus leader. This provides more contact with your leader, readier access to off-the-beaten-path areas, greater interaction with local communities and a reduced environmental impact.

## **Loyalty Discount**

If you have previously travelled with us we recognise your loyalty with a discount on future trips.

## **Booking your holiday - it couldn't be easier**

Once you've chosen your Mountain Kingdoms holiday you can book online, call the office or complete and post a booking form which can be found in our brochure or downloaded from our website. If you would like to hold a place on one of our trips, whilst you make up your mind, please give us a call to make a provisional booking. This is a no-obligation, no-cost booking and we will hold your place until space comes under pressure or we need your decision.

## RESPONSIBLE TOURISM STATEMENT CLIMATE EMERGENCY PLAN

For over 33 years, Mountain Kingdoms has been offering people the chance to visit amazing places on this extraordinary planet. We now offer trips to all corners of the world, but we are conscious that inevitably our holidays have a detrimental impact on the world around us, and we want to do all we can to reduce our carbon emissions. We are a signatory to Tourism Declares a Climate Emergency, along with a growing number of like-minded, reputable tour operators. For more information, please visit [www.tourismdeclares.com](http://www.tourismdeclares.com)

From 2020 onwards, we will be focusing on how we can reduce the carbon emissions that our holidays produce, and how to counterbalance this carbon by supporting carbon offset measures. Here are some of our current and future plans to minimise the impact of our business as a whole:

### **Carbon Offsetting**

#### **Already doing:**

- ✓ We have been offsetting carbon since 2007, but will be increasing our donations to the [Ecoan tree planting project](#) in Peru this year. This is with a trusted partner where the funds go directly to a project where the community plants trees on its own land.

#### **Will do:**

- ✓ We are working on making our carbon offsetting more accurate and targeted.
- ✓ In future, we will add to that a further estimate for carbon produced by hotels, local road travel, trains and internal flights to arrive at a carbon offset sum for each trip we operate.
- ✓ Carbon offsetting will be included in our holiday prices. For our Flight Inclusive holidays it will include the international flight and any emissions produced by inland travel and accommodation. Our Land Only prices will include the cost of offsetting emissions caused by inland travel and accommodation.

### **Reducing Carbon Emissions**

#### **Already doing:**

- ✓ We already offer the majority of our customers a free filtered water bottle which means they can instantly cut down on their single-use plastic consumption. This will be an ongoing project.
- ✓ We already predominantly use locally owned hotels, but will continue to ensure that, where possible, we use these rather than multinational chains.
- ✓ We have joined the Tourism Declares a Climate Emergency initiative to stand alongside like-minded travel companies, to work together to initiate best practices to make tourism as sustainable as possible.

#### **Will do:**

- ✓ We will re-evaluate our flights to make sure we are using the most fuel efficient airlines with the youngest fleets and, where possible, direct flights for each trip.
- ✓ We will stop offering unnecessary optional flights – for example our Everest sightseeing trip.
- ✓ We will eliminate unnecessary staff flights wherever possible.
- ✓ We will look at minimising internal flights.
- ✓ We will be asking all our worldwide agents and suppliers to look at their own carbon footprint and encourage them to reduce it.
- ✓ We will promote our more low impact trips to give customers an informed choice.

As part of our wider commitment to Responsible Tourism, we will continue to support a number of charities with whom we have had a long standing relationship over many years. These include: Shiva Charity in Nepal (Ginette Harrison School), Simien Mountains Mobile Medical Service and Porter Welfare, as well as setting aside a sum for emergency disaster relief should the need arise.
