Trip summary

This superb tour highlights the very best that Vietnam and Cambodia have to offer taking in cultural wonders, fascinating historical sights and beautiful scenery whilst travelling in real style throughout.

The tour begins in Saigon, Vietnam's largest city, an absorbing blend of ancient cultural traditions and modern economic dynamo. Staying in a centrally located 5* hotel, you will discover many aspects of its complex history as you stroll down leafy boulevards past atmospheric colonial buildings, visit a traditional market and see a variety of cottage industries in action. You will also visit the Cu Chi tunnels - one of the most haunting remnants of the Vietnam war.

Boarding the luxurious RV Mekong Pandaw you set sail on your seven night cruise along the Mekong River. Perhaps the most scenic river in Asia, the Mekong is also the most vibrant and there is much to see as you cruise along, including floating markets, picturesque villages and countless temples. Each day there are excursions which will reveal different aspects of local life and history which you will explore by boat, cyclo and on foot.

Having crossed into Cambodia from Vietnam you will take a tour of the capital city, Phnom Penh, visiting the ornate Royal Palace and Silver Pagoda. In Cambodia, you will also have the opportunity to spend time at the thought provoking Killing Fields, explore traditional villages and visit fascinating temple complexes.

Aboard your Pandaw ship you will cruise in style with large, well-appointed cabins, spacious viewing decks and first-class facilities including a professional spa, gym and library. The food is exceptional and varied with a wide range of international cuisine and you can also enjoy complimentary evening canapés and unlimited ice-cream served on the sundeck! In the evenings, you can relax in the comfortable saloon bar, enjoy the cultural performances or take in the educational talks and films that are provided by the highly experienced ship's crew and onboard experts.

The cruise ends at Siem Reap where you disembark for further 5* comfort and an in-depth tour of the incomparable Angkor Wat temple complex - one of the most important archaeological sites on all of Southeast Asia and a fitting end to this memorable holiday.

RV Mekong Pandaw

The original P-class ships were built by Yarrows of Glasgow in the late 1940s to replace the ships of the old Irrawaddy Flotilla Company lost in the war. The design was based on earlier 1930s designs with side paddles and the addition of a flying bridge. All the ships had a name beginning with P and one of these was the original Pandaw that was acquired in 1998 and lovingly restored. The P-class ships with their broad beam and shallow draft were all deployed on the Bhamo to Mandalay route.

Built in Rangoon (Yangon) in 2002 the RV Mekong Pandaw sailed round to Saigon under her own power and with many a drama as described in Paul Strachan's Pandaw Story. This ship was designed specially for the Mekong and unlike the other P class ships does not have a flying bridge. The reason was so that she could get under a road bridge. She did actually scrape under on her maiden but it was so scary that Paul Strachan, then standing on the bridge, never dared attempt it again. As a result, they ended up with this incredible 750 square metre teak deck that even has a full-size billiard table.

The MP, as she is affectionately known, is a most spacious ship with wider promenades, a larger dining hall and more public space per passenger than any known ship afloat.

In 2012 she was refitted and lower deck cabins removed in favour of a professional spa, gym, library lounge and office. She is quite justifiably the most splendid ship on the Mekong and the envy of anything that is afloat.

Built 2003 in Yangon, refit 2013

Length: 200ft / 60m

Beam: 36ft / 11m

Draught: 4ft / 1.5m

Berths: 48 pax

You sail past paddy fields, orchards, sugar cane fields and villages of stilt houses as well as the varied traffic of the river such as elegant sampans and lumbering cargo boats. Arriving at Ben Tre your ship will anchor midstream, giving you a relaxing afternoon at leisure.

This afternoon there may be the opportunity to enjoy a lecture about 'Vietnamese History' given by your guide. Before dinner, you may be able to see a traditional Vietnamese music performance. You will also have your daily briefing for the next day.

You will explore by rowing boat along canals to see the principal nesting areas.

Overnight: R V Mekong Pandaw (Meals: BLD)

Day 8: Morning city tour of Phnom Penh. Afternoon visit to the Killing Fields (optional).

This morning you will travel by a cyclo to the Royal Palace and the Silver Pagoda which has silver floor tiles totalling five tons of gleaming silver. After, you will visit the National Museum which houses the world's finest collection of classical Angkor period sculpture. Please note that you are required to wear clothes that cover your shoulders and knees, no shorts are allowed in the Royal Palace.

Later on today you will have the option to visit the Killing Fields and Toul Sleng Genocide Museum. You will be taken by coach which will take approximately 1 hour. The Toul Sleng Museum provided the base for the Khmer Rouge security force and prison and interrogation centre, S21. The building, formerly a primary school, together with the photographs of many of the victims displayed on the walls, now stand testament to the brutality and murderous actions of the Pol Pot regime. After the prisoners were interrogated here they were taken to Choeng Ek to be executed. Many of the country's intellectuals along with some Westerners were

labelled 'enemies of the revolution' and killed in this complex. There now stands a stupa filled with human skulls as a memorial to the victims.

Important note - if you wish to opt out of this afternoon excursion to the Killing Fields and Genocide Museum, then this is fine. Please let us know at the time of booking, if you wish to visit the Killing Fields.

There is ample time to enjoy your stay in Phnom Penh as the ship will be moored in the city jetty and you are free to go ashore at any time while the ship is there. Day 10: Morning sunrise cruise to Wat Hanchey. Afternoon visit to Chiro village and Wat Nokor Bachey.

Today will start with a sunrise cruise to Wat Hanchey, an important centre of worship during the Chenla period. It is located on top of a hill above the mighty Mekong with some of the best river views in Cambodia. You will tour the 8th century structures some of which were destroyed by American bombing raids during the Vietnam War. Wat Hanchey is also noted for its bizarre fruit and animal statues.

You will then cruise back downstream to Kampong Cham. After lunch, you travel by bus to the local OBT (non-government organisation) - Chiro Village, where the education of local children is high on the agenda. Pre-hospitality training courses, plastic recycling, bee keeping, farming and handicraft skill projects have all been set up to improve the skill set and prospects of local children.

Finally today, you travel to Wat Nokor Bachey which dates back to the Jayarvaman VII period. Built completely from black sandstone it stands out from other temples built during this period. Many legends surround this complex, one being that it was built by a king who accidentally killed his father then married his mother as per a Greek legend. This temple was built in penance for his crime.

Overnight: R V Mekong Pandaw (Meals: BLD)

On arrival at your hotel you will be met and briefed by your guide who will look after you for the last part of your trip.

After lunch at your hotel, you will visit Angkor Wat, the world famous temple of Cambodia. It is visually, architecturally and artistically breathtaking. With its massive three tiered pyramid crowned by five beehive-like towers rising 65 metres from ground level, this temple is the centrepiece of any visit to the temples of Angkor. Late afternoon is the best time for photography at Angkor Wat as the warm sunlight bathes the temples producing their familiar 'red glow' it is also the perfect time to take in the romantic view at sunset from Bakheng Hill.

You will then return back to your hotel. There are many nearby restaurants serving Asian or Western cuisine.

The temples were astounding, the Killing Fields were chilling, the country side was lovely and filled with so many interesting sights and photographic opportunities - overall Cambodia was a delight to visit, and our guides were wonderful.

Mountain Kingdoms - distinctly different

Truly independent

In an age where many so-called 'independent' travel companies have in fact been bought out by multi-national giants, we remain fiercely independent with all the benefits this offers our clients.

Value for money prices with an emphasis on quality

We are not in the business of cutting our itineraries and services to the bone to offer eye-catching cheap prices. We use some of the best airlines, and typically 3 or 4 star hotels in cities. We include the majority of meals and private transport for road travel. We use excellent equipment and appoint well-trained staff and leaders. Last year, over 98% of our clients rated their Mountain Kingdoms holiday as 'excellent' or 'good'. We are members of AITO and bound by their quality charter.

Complete financial security

You can book with us confident that your holiday has full financial protection. Flight inclusive holidays are financially protected by the Civil Aviation Authority under ATOL licence number 2973 and 'Land Only' holidays are covered by a bond secured with ABTOT.

No Surcharge Guarantee

Your peace of mind is important to us so we have a No Surcharge Guarantee on all Land Only and Flight Inclusive bookings. This means that there will be no change to the price of your holiday once we have confirmed your booking, regardless of fluctuations in exchange rates or fuel prices.

Award winning Responsible Tourism

We feel strongly that all our holidays should benefit local communities, protect the environment and respect local traditions, religion and heritage. You can read more about the charities we support and our Responsible Tourism commitments and initiatives on the following page or at www.mountainkingdoms.com.

Genuine small group travel

Almost all of our holidays have a maximum group size of just 12, plus leader. This provides more contact with your leader, readier access to off-the-beaten-path areas, greater interaction with local communities and a reduced environmental impact.

Loyalty Discount

If you have previously travelled with us we recognise your loyalty with a discount on future trips.

Booking your holiday - it couldn't be easier

Once you've chosen your Mountain Kingdoms holiday you can book online, call the office or complete and post a booking form which can be found in our brochure or downloaded from our website. If you would like to hold a place on one of our trips, whilst you make up your mind, please give us a call to make a provisional booking. This is a no-obligation, no-cost booking and we will hold your place until space comes under pressure or we need your decision.

Comprehensive information

When we receive your booking we send you a full trip dossier which contains details of visas and vaccinations required, a suggested gear and clothing list and lots of useful information. In fact, everything you need to know to give you peace of mind and allow you to prepare for your trip of a lifetime.

RESPONSIBLE TOURISM STATEMENT CLIMATE EMERGENCY PLAN

For over 33 years, Mountain Kingdoms has been offering people the chance to visit amazing places on this extraordinary planet. We now offer trips to all corners of the world, but we are conscious that inevitably our holidays have a detrimental impact on the world around us, and we want to do all we can to reduce our carbon emissions. We are a signatory to Tourism Declares a Climate Emergency, along with a growing number of like-minded, reputable tour operators. For more information, please visit www.tourismdeclares.com

From 2020 onwards, we will be focusing on how we can reduce the carbon emissions that our holidays produce, and how to counterbalance this carbon by supporting carbon offset measures. Here are some of our current and future plans to minimise the impact of our business as a whole:

Carbon Offsetting

Already doing:

- ✓ We have been offsetting carbon since 2007, but will be increasing our donations to the [Ecoan tree planting project](#) in Peru this year. This is with a trusted partner where the funds go directly to a project where the community plants trees on its own land.

Will do:

- ✓ We are working on making our carbon offsetting more accurate and targeted.
- ✓ In future, we will add to that a further estimate for carbon produced by hotels, local road travel, trains and internal flights to arrive at a carbon offset sum for each trip we operate.
- ✓ Carbon offsetting will be included in our holiday prices. For our Flight Inclusive holidays it will include the international flight and any emissions produced by inland travel and accommodation. Our Land Only prices will include the cost of offsetting emissions caused by inland travel and accommodation.

Reducing Carbon Emissions

Already doing:

- ✓ We already offer the majority of our customers a free filtered water bottle which means they can instantly cut down on their single-use plastic consumption. This will be an ongoing project.
- ✓ We already predominantly use locally owned hotels, but will continue to ensure that, where possible, we use these rather than multinational chains.
- ✓ We have joined the Tourism Declares a Climate Emergency initiative to stand alongside like-minded travel companies, to work together to initiate best practices to make tourism as sustainable as possible.

Will do:

- ✓ We will re-evaluate our flights to make sure we are using the most fuel efficient airlines with the youngest fleets and, where possible, direct flights for each trip.
- ✓ We will stop offering unnecessary optional flights – for example our Everest sightseeing trip.
- ✓ We will eliminate unnecessary staff flights wherever possible.
- ✓ We will look at minimising internal flights.
- ✓ We will be asking all our worldwide agents and suppliers to look at their own carbon footprint and encourage them to reduce it.
- ✓ We will promote our more low impact trips to give customers an informed choice.

As part of our wider commitment to Responsible Tourism, we will continue to support a number of charities with whom we have had a long standing relationship over many years. These include: Shiva Charity in Nepal (Ginette Harrison School), Simien Mountains Mobile Medical Service and Porter Welfare, as well as setting aside a sum for emergency disaster relief should the need arise.
