

The Pavilions Himalayas Pokhara

Nepal - Extension Option

We are delighted to offer stays in this indulgent property set in beautiful countryside just outside Pokhara in the Annapurna region. We are sure it will be a favourite with our clients.

The Pavilions Himalayas is a luxury resort situated amidst fertile farmland and paddy fields in a tranquil location approximately 5km outside Pokhara. There are sweeping mountain vistas to be enjoyed from the resort's rooms and terrace including a view of Pokhara's famous Peace Pagoda seen on top of a nearby ridge.

The sumptuous rooms, set in individual villas, are large and comfortable, all having enormous beds, whirlpool baths, separate rain shower cubicles and high quality, hand-crafted soaps and shampoos made with herbs from their garden. All facilities at the resort are top of the range and include an infinity swimming pool and spa.

From the resort it is just a short drive to reach the pretty lakeside town of Pokhara, alternatively you can take pleasant walks from the hotel or simply chill at the resort, have a massage and enjoy the facilities.

The Pavilions Himalayas prides itself on its environmental credentials and is thought to be one of the most eco-friendly hotels in Asia with solar power, rainwater harvesting, water recycling and biogas generation. In addition, most of the delicious organic food served in the restaurant is grown on the resort's own farm or is bought from nearby producers.
