

Shivapuri Heights Cottage, Nepal 2017

Nepal - Extension Options

While in Kathmandu, why not experience an exclusive, private, home away from home? Shivapuri Heights Cottage is a “home-stay” style property that offers a great escape from the hustle and bustle of the city. It is located in 2 acres of land at an altitude of 6,000ft / 1,830m on the edge of the protected Shivapuri Reserve, with beautiful views looking down into the Kathmandu Valley. There are various choices of cottages to suit your individual requirements.

Shivapuri Heights Cottage is an ideal escape from the hurly burly and pollution of Kathmandu city whilst having the advantage of being only 20-30 minutes drive plus a short walk away from the airport or city centre.

There are a number of lovely short walks available from the cottage while longer walks or excursions can also be arranged, including a visit to the Shivapuri Naiki Monastery (5-6 hours) or into the Shivapuri Reserve or up to Shivapuri peak (2 hours or 5-6 hours).

“A quick note to thank you for all the arrangements for our trip. My wife and son really enjoyed their trip too. Staying at Shivapuri was also really an inspired idea as our toddler son simply adored the dogs, roosters, the gardens and the simple trekking. Very nice couple. Food etc was also nice up there and it is a great place to unwind.”
